Aunt
Dear Clara:

I am very sorry I did not write sooner I thought we were coming down but we cant. Yes it passed and next year I will be in the 5B Grade.

I am 10 years old I didnt have a party I got three presents a pair of skates and a pair of overalls and a pair of shoes.

Tell Truman to write to me I sure would like to see him.

How is he, how are you?

Leabelle and Elaise
are all right and
you guessed it and not
only sassy but
stubborn. that

Mamma and
Daddy are not doing
much. I found a
\$7⁵⁰ Fountain pen yester-
day, I was skating
over at Joes and found
it. I am sorry I didnt
write any sooner than
I did.

Sam Jr addressed this, but he forgot
to use your present name.

Guess you'll get it OK as he got
your address alright.
